Dear Charlotte,

On behalf of Kicks For Kids, but most importantly the children we serve, thank you for providing dinner for more than 100 people at our 12<sup>th</sup> Annual Great Outdoor Adventure on Saturday, October 25<sup>th</sup>. Domino's donation of more than fifty pizzas is greatly appreciated.

Charlotte, as you know, KFK's Great Outdoor Adventure provides inner city and rural children with a fun-filled day of fishing, horseback riding, hayrides, flying on a zip line, rock climbing, team building and learning about animals. For the first time this year, the kids also had the chance to ride a speedboat along Gunpowder Creek in Union, KY! All of this takes place at Potter's Ranch, a safe, outdoor site that is far from the kids' everyday environment, literally and figuratively.

Because we are a small charity with a limited budget, every dollar we save goes directly to assist local children at risk. Thank you for being such an instrumental part of this effort. Domino's generosity provided more than 60 children from Greater Cincinnati, Southeastern Indiana and Northern Kentucky with an unparalleled experience.

Please know we sincerely appreciate your efforts in reaching out to local children at risk in the Tri-state!

Sincerely,

A handwritten signature in dark ink that reads "Britt Nielsen".
